U/F: The other one too.

DR. MOSHE: And Roboxin, seven fifty, twice a day.

CS: Uh-huh!

DR. MOSHE: How much is it lower the pain [UNINTELLIGIBLE] after you taking medication, do you pain?

CS: No pain, no pain.

DR. MOSHE: No pain, okay, good. Any side effects yet?

U/F: If you have like [PAUSE] the medicine side effects?

DR. MOSHE: Nausea, vomiting?

[VOICES OVERLAP]

U/F: Like vomiting?

DR. MOSHE: Constipation?

U/F: Like

CS: No.

DR. MOSHE: The medication keeps you comfortable for twenty four hours?

U/F: The medication keeps you calm for twenty four hours?

CS: Yes.

U/F: Yes.

DR. MOSHE: Did he use my, a, referrals? Did he see orthopedic doctor?

U/F: Did you see the doctor of the bones?

[VOCES OVERLAP]

DR. MOSHE: Orthopedic [PHONETIC]

CS: Eh, I'm waiting until I get vacation from work. I'm doing exercises at home.

U/F: He's waiting, umm, for him to get umm, for him to get vacation from his job but he's doing exercises at home.

DR. MOSHE: Okay, [UNINTELLIGIBLE] Ymca. Did he go to the swimming pool in Ymca?

U/F: Did you go to the pool, at the Ymca?

CS: [UNINTELLIGIBLE]

U/F: Yeah.

DR. MOSHE: Is helping you?

|

UF: Is it helping you?

CS: Yes it helps a lot.

U/F: Yeah.

DR. MOSHE: Go to next to door. Walk straight, walk, Walk back.

CS: Oh, you speak Spanish?

DR. MOSHE: A little.

U/F: [Laughs]

DR. MOSHE: I speak.

U/F: No down.

DR. MOSHE: I speak low?

CS: Bend down.

UF: Bend down.

DR. MOSHE: Bend down.

CS: [LAUGHS]

DR.MOSHE: Bend down. [UNINTELLIGIBLE]

[VOICES OVERLAP]

U/F: [UNINTLLIGIBLE]

DR. MOSHE: To right side, left side is, tip toe, come here, heels. Squat, squat as much as you can. Come here..

U/F: No, turn around.
|

[VOICES OVERLAP]

DR. MOSHE: Bend over on your elbows.

U/F: And bend like this.

DR. MOSHE: Bend, no, no sir, bend over there.

CS: Oh.

DR. MOSHE: Do you have pain there?

CS: No.

DR. MOSHE: No pain?

CS: No.

DR. MOSHE: Do you have pain there?

CS: Little.

DR. MOSHE: Little. Do you have pain there?

CS: No.

DR. MOSHE: Okay, he needs to finish his medication. He needs continue his therapy and swimming pool. Okay?

CS: Okay, thank you.

DR. MOSHE: What type of job he is in?

U/F: What kind of work are you doing?

CS: Oh, at a parking lot but I don't lift anything heavy.

U/F: He works in a parking lot but the doesn't do anything that
|

[VOICES OVERLAP]

DR. MOSHE: [UNINTELLIGIBLE] which pharmacy he wants to go?

U/F: Which pharmacy do you want to go?

CS: On Broadway Three seven three [PHONETIC]

DR. MOSHE: Three seventy three Broadway.

CS: Yeah.

DR. MOSHE: Okay, tell him like this, when he came first time he came with inflammation.

U/F: When you came you had and inflammation there.

CS: Uh-huh!

DR.MOSHE: The inflammation caused by damage muscles in his ligaments then his nerves.

U/F: That the same thing with, with [PAUSE]

DR.MOSHE: Damage.

U/F: With that damage bone.

CS: Uh-huh!

DR.MOSHE: Damage muscle, the ligaments in there.

U/F: The muscles, the, the, you know what he's saying right?

DR.MOSHE: Okay?

U/F: Yes, he knows.

|

DR. MOSHE: Is okay, is okay, is okay, you did fine. Thank you.

U/F: [LAUGHS]

DR. MOSHE: With the medication and therapy slowly we keep this inflammation under control.

U/F: The medicine and therapy that thing will go down.

DR. MOSHE: So you have to continue your medicine and your therapy to completely recover.

CS: Alright.

DR. MOSHE: Okay?

CS: Alright.

DR. MOSHE: Any question sir?

CS: No, no.

DR. MOSHE: Thank you very much.

CS: Thank you. Alright.

U/F: [LAUGHS]

DR. MOSHE: Thank you.
